FREE 24/7 TUTORING

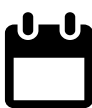

How many hours of tutoring can I receive?

In addition to your instructor, Embry-Riddle Aeronautical University provides up to **15 hours** of free tutoring available to you **per month** during your enrollment in this course.

With 24/7 tutoring, there are three ways to interact with tutors:

Instant, on-demand session with any of the available tutors

Schedule a session in advance with a tutor of your choice

Submit a question/writing assignment and receive feedback within 24 hours
